

# EPISCOPAL COMMUNICATORS

## Guiding Principles

### Mission & Vision Statements

**Mission:** The mission of Episcopal Communicators is to foster community that inspires and supports excellence in church communications.

**Vision:** Strengthen the community of the Episcopal Church and its denominational partners through the ministry of communications.

### Core Values

Episcopal Communicators was founded to empower, enrich, and educate those called to the ministry of religious communications and as such have adopted the following core values:

**Respect:** Membership in Episcopal Communicators is predicated on respectful relationships, honoring, and celebrating the differences and unique experiences of all its members.

**Dedication:** Episcopal Communicators is dedicated to cultivating and providing communication resources and educational opportunities to foster an excellence in church communications.

**Transparency:** Episcopal Communicators guarantees an environment of open and transparent communication among its leadership and membership.

**Value:** Episcopal Communicators strives to consistently provide value to its members.
